Attendance Home Visits

As part of our safeguarding responsibilities, school may carry out home visits when a child is absent to help ensure they are safe and well. These visits are a routine part of our duty of care and are nothing to worry about. We simply want to make sure all our children are safe and accounted for.

Thank you for your understanding and cooperation.

Stay and Count – Parent Feedback

We hope everyone who joined our 'Stay and Count' maths sessions before half term enjoyed them! If you attended with your child in Years 1–6, we would be grateful if you could spare 1–2 minutes to complete our feedback form by clicking the link below. Your comments will help us plan future sessions. Thank you!

Our Safeguarding Team

Keeping our children safe, happy and well is everyone's responsibility, and we want all our families to know who they can turn to if they need help or support.

Our school safeguarding team is here to listen, offer advice and help with any worries or concerns you may have about your child or another child. Whether something is happening at home, in school or elsewhere, no concern is ever too small to share.

If you ever need to talk to someone, have a worry or are unsure where to go for support, please speak to a member of our team. We are always happy to listen and will do our best to help.

SEND – We're Here to Support You

At Adelaide, we want every child to feel supported and reach their full potential. We work closely with families to make sure children receive the help they need.

Mrs Whitelam is our Special Educational Needs Co-ordinator (SENCo). She works closely with class teachers and support staff to help identify children's needs, co-ordinate support and ensure pupils receive the help they need in school. If you have any concerns about your child's learning, development or additional needs, you are very welcome to speak to Mrs Whitelam. She is always happy to listen, offer advice and discuss how we can support your child.

SEND Parent Drop-In Sessions

Mrs Whitelam will be available for informal parent drop-in sessions on the following dates - there is no need to make an appointment! If you are unable to attend one of these sessions, please contact the school office to arrange an alternative appointment.

- **Thursday 3 December – 9:00am**
- **Monday 7 December – 9:00am**
- **Tuesday 15 December – 9:00am**

Have your say!
