

Spring 1 - Food

Key Story

- The Very Hungry Caterpillar

Literacy

During Phase One Phonics we will focus on identifying rhythm and rhyme.

As writers, we will learn to write our names independently and make recognisable marks that we can talk about.

As readers, we will be learning new vocabulary. We will also be making simple predictions.

Maths

As mathematicians, we will learn the concept of number from 0-5.

We will learn vocabulary relating to size and length.

Physical Development

We will show a preference for a dominant hand when mark making

We will also continue to understand the importance of moving safely around the room.

Personal, Social and Emotional Development

This half term we will be talking about our Dreams and Goals. We will have weekly celebrations to recognise success of all and will learn new songs about friendship and feelings. We will use our feelings barometer to show our teachers how we are feeling every day.

Communication and Language

This half term we will try to use longer sentences of four to six words. We will take part in a daily circle time called 'Speaking Stone' where all children have an opportunity to speak.

Understanding the World

As Scientists, we will think about where our food comes from. As Historians, we will talk about how we ate differently as babies. As theologians, we will think about how and why Chinese New Year is celebrated.

Expressive Arts and Design

As Designers, we will think about how we will decorate a biscuit. We will make choices and then will enjoy eating them!
