

# Summer Newsletter

Dear parents / carers,

We hope that all of the Adelaide community have had a happy Easter break. We are all looking forward to welcoming the children back to school on **Tuesday 26th April**. The teachers have a wonderful Summer Term curriculum planned for the children and we are looking forward to seeing what they will achieve in their final term of this academic year.

## Eid Celebrations

We hope that the fasting period is going well for all of our families who are currently following Ramadan. As the Eid celebrations approach, please inform the school if your child will be taking a day from school to celebrate. This will be marked as a religious festival. Thank you every and a very Happy Eid to all.

## COVID updates

The Government has again updated the COVID guidance—<https://www.gov.uk/guidance/people-with-symptoms-of-a-respiratory-infection-including-covid-19>. Many things in school will stay the same - enhanced cleaning, ventilation and good respiratory hygiene. Adelaide staff will continue to do all we can to keep infection low.

## Main points parents need to be aware of from the new guidance are as follows:

- Children with mild symptoms such as a runny nose, sore throat, or slight cough, who are otherwise well, can continue to attend their education setting.
- Children and young people who are unwell and have a **high temperature should stay at home** and can resume normal activities when they no longer have a high temperature and they are feeling well.
- As usual, if a child is too unwell to attend school, please contact the school office—01482 223753—to report their absence.
- COVID testing is now no longer freely available. However, there may be occasions when a medical professional recommends COVID testing or when you choose to test. **If a child tests positive for COVID, we ask that they do not attend school for 3 days.** After 3 days, they can return if they do not have a high temperature.
- **Adults and children who test positive for COVID are asked not to attend the school site during the infectious period.**

If you are unsure about any of these details or if you would like help with a particular scenario for your family, please do not hesitate to contact the school. Thank you for your continuing support and for helping to protect our school community.

We hope that all of the children have a wonderful first day back at school tomorrow and continue to make excellent progress as they work on the Summer Term curriculum.

Yours sincerely,

Mr Kernan, Mrs Adkinson, Mrs Whitlam, Mrs Dodson,  
And all of the Adelaide Staff

## Adelaide Twitter

Regularly checking the Adelaide Twitter account is a great way to stay in touch with the school and to see what the children are getting up to in the classrooms.

Find us at

[@Adelaideprimary](https://twitter.com/Adelaideprimary)

## FREE Breakfast Club

The popular Adelaide Breakfast Club is open to FS2—Y6 children. It runs from **8am** and provides a free breakfast and place to play with friends in the morning. Last admittance is 8:20am.

## Term Time Holidays

We would like to remind all parents that we strongly advise against term time holidays wherever possible. Please contact the school office to complete a holiday form if you plan to take your child on holiday during term time.

The full school attendance policy can be found on our school website here—  
<https://adelaideprimary.org.uk/policies/>.

## Safer Parking

If you travel to school by car, please respect our local residents when parking within the school area.

We would like to remind parents that it is against the law to stop on the school yellow zig-zag lines. Parking directly outside of the school is illegal and causes unnecessary risk for our pupils and families.

Please park sensibly and with respect for everyone in our community. Thank you everyone.

## School Year 2021 – 2022

## Other School Messages

We would like to wish Mrs Cooke the very best of luck as she begins an early retirement. We would like to thank her for her years of service to the children and families at the school, she will be missed and we hope that she stays in touch. We would also like to wish Miss Worth all the best of luck as she starts her new teaching role at another school. Mrs Shepherdson and Mrs Dodson will take on the teaching role in FS2 Butterflies class.

Finally, we are looking forward to welcoming Mrs Shepherdson and also Miss Johnson back to school from their maternity leave, we are thrilled to have them both back in the Adelaide team.
