Reading at home

- **Supporting your child to be a fluent reader is one of the most important things you can do.**
- Children will be given a reading book every 3 days to read at home each night. This fits in with our reading scheme. They will also have sheets with green and red words to practice.
- We ask that children read at least 5 times a week to practice their fluency.
- Please sign your child's reading record book each time they read at home.
- Reading record books will be checked at school each day and children will be rewarded.
