Year 3
Spring Term
2024

Ancient Egypt

Visits and Visitors

We will be finding out all about different places of worship and visiting the Hull Synagogue.

History

We will travel back in time, looking at the Ancient Egyptian civilisation and comparing Britain in the same Historic era.

Science

We'll plan enquiries to test the strength of a variety of magnets. We will also learn how a compass works using magnetism.

Geography

We will revisit rivers and focus on the River Nile. We will look at why it was valuable and people settled along its banks.

PE

We will develop our dance and basketball skills, learning a range of expressive movements and accurate passing and receiving.

Design Technology

We will be researching, designing and making a mini cushion for Mrs Bradley. We will add embellishments to enhance our final product.

Art

We will create a landscape inspired by Alfred Wallis incorporating a printed element. We will look at his paintings to gather ideas for our own piece.

Computing

We will use J2e to learn how to follow and write code to build a our own game. We will revisit how to stay safe online.

RE

We will identify founders of faith for the three key religions we have been studying. We will revisit the Easter story focusing on Good Friday.

Music

We will listen and appraise different musical styles, develop our musical notation skills and work on improvising music to help tell a story.

Jigsaw

We will focus on our Dreams and Goals for our future (both now and long term). We will learn how to stay healthy, both physically and mentally.
