Dear parents and carers,

I hope this letter finds you well. Today we will be breaking off for half term. **Children to return to school on Monday 19th February.** If you are ever unsure of term dates then do just check them out on the school website: <https://adelaideprimary.org.uk/term-dates/>

### Parents evening

It was lovely to see so many of you at parents evening this week. I hope that you enjoyed meeting your child's class teacher and finding out about how they are getting on in school. **If any parents were unable to make it into school on these dates, just contact the school office and we can arrange an alternative date for you.**

### Opportunities for parents to come into school

After half term we will be continuing to invite parents into school for different parent workshops. I will get the office to email and text reminders to you about this. As well as parent workshops, we will be organising opportunities for you to come into the classroom also. We love developing our relationships with families and we think this will help even more.

### Holiday absences

**Gentle reminder:** Please be aware that holidays cannot be authorised except in exceptional circumstances. Families are submitting requests for time off school for long periods of time and they are risking their child's place at Adelaide. Children who are off for 20 days holiday will be removed from roll and their place allocated to children on the waiting list. This is in line with the school and Trust policy for attendance which is taken directly from Government guidelines.

**We now had to remove 3 children from roll this year because of this.**

### Any concerns

Please do come and see me or any member of staff if you have any questions or concerns that you would like to raise. I'd be happy to help. I wish you and your families all the best for a wonderful, restful break and will see you when the children return on **Monday 19th February.**

Mrs Bradley
