Welcome Back!

It has been fantastic to see all the children back at school and settled in their new classes! It is such a privilege to lead this amazing school community. The new school year is such a special time; the smell of new school supplies, the new threads, fresh paintwork in the school building and all the new opportunities. It can also be a time of anxiety and stress for our children. We are all ready to support the children as they transition into their new class.

Please do look out for lots of opportunities to come into school over the course of the year as we aim to strengthen our parent engagement!

I wish you and your child a wonderful academic year!

Mrs Bardley
