THANK YOU

Thank you to **Ready Steady Read** for the kind donation of

books for our classroom reading areas.

Important Reminder: Medicine in School

We would like to remind all parents that children must not bring any medicine from home to school and carry it with them during the school day. This is very dangerous and poses a serious health and safety risk to all our pupils.

If your child requires medication, it must be brought to school office by a parent or a guardian. A member of staff will make sure this is stored correctly and administered according to our policies.

Your cooperation is essential in keeping our school safe for everyone. Thank you for your understanding and support.

Medical Appointments

Just a reminder that all doctors/ dentist and optician appointments should be made outside of school hours where possible.
