Operation Encompass

Our school takes part in Operation Encompass, a national scheme that helps schools support children who may have been affected by domestic abuse at home.

When police attend an incident involving a child, they confidentially inform the school before the next school day. This allows us to provide appropriate care and support to help the child feel safe and secure.

If you have any questions or would like more information, please contact the school or visit: [Home: Operation Encompass](#)
