## Road Safety

Please can all parents to talk to their children about road safety.

We have had several 'near misses' around the school in recent weeks, with children walking in front of cars. We will be teaching road safety in the school too, but we would like all parents to support these messages at home, please.

Children under the age of 8 are rarely able to safely cross a road without adult support.

Please ensure that your child is correctly supervised at all times near the busy roads around the school.
