Reading at Home

Home reading is an important part of every child's learning journey. We ask that all children in Years 1–6 read at home at least four times each week, with each session recorded in their reading diary.

Regular reading helps children develop confidence, fluency and a lifelong love of books.

Need a little extra support? If your child is finding reading at home difficult, they can read to Mrs King at Breakfast Club, or you can speak to their class teacher for advice and support.

Thank you for your continued support!

Stay and Count Session

Thank you to all the parents and carers who joined us for our Stay and Count session. We hope you found it enjoyable and useful. We will be holding more Stay and Count sessions throughout the year. Please help us evaluate the session by scanning the QR code.

ClassDojo

We are now using ClassDojo as our main way of communicating with parents and carers. You will receive a text message from your child's class teacher containing a link to join. Simply click the link and follow the instructions on the screen to get set up. Please download the ClassDojo app, as most school news, updates and important information will be shared through it.

Don't Forget Your Coat!

With the colder, wetter weather here, please remember to send your child to school with a **warm, waterproof coat** each day so they can enjoy outdoor play whatever the weather!

Operation Encompass

Our school is part of **Operation Encompass**, a scheme that helps schools support children who may have experienced domestic abuse. The school may receive a notification from the police following an incident, allowing us to offer appropriate care and support to children when they need it most. Our priority is always to ensure that every child feels safe, supported and ready to learn. If you have any questions or would like more information, please contact the school or visit: https://www.operationencompass.org/

Wellies for Outdoor Play!

As the weather gets cooler and wetter, please send your child to school with a pair of **wellies, clearly labelled with their name, to be kept in school**. This will help them enjoy outdoor learning and play whatever the weather! Thank you for your support!

Harvest festival

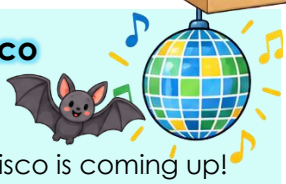

We will be celebrating our Harvest Festival on **Friday 16 October**. We would be grateful for donations of non-perishable food items, such as tins, packets, pasta and rice. Children can bring their donations into school from **Wednesday 14 October** and hand them to their class teacher. The final day for donations is **Friday 16 October**.

Thank You!
