Welcome Back

Message from the Headteacher

Welcome back! I hope everyone enjoyed a restful half-term break and made some lovely memories. We have lots to look forward to this term, with plenty of exciting learning opportunities, activities and events planned. I am looking forward to seeing the children continue to grow in confidence, develop their skills and make the most of everything school has to offer.

Thank you for your ongoing support. Let's make it another fantastic term!

Mrs Bradley

Healthy Holidays Hull Winter Programme

We are pleased to share that Healthy Holidays Hull is returning this winter school holiday, with activities starting from **Monday 21 December**, offering a fantastic programme of FREE activities and food for school-aged children living in Hull.

The programme offers a wide range of activities across the city, including sports, arts and crafts, cooking, family sessions, SEND sessions, and opportunities to learn new skills, build confidence and make new friends during the school holidays.

Booking is now easier than ever with the new Healthy Holidays Hull website and booking system. Families can quickly browse activities and book their chosen sessions online.

We encourage families to explore the activities available and book early to avoid disappointment. Visit healthyholidayshull.org to find out more and book.

Children in Need & Diabetes Awareness – Friday 13 November

On Friday 13 November, we will be holding a non-uniform day for Children in Need. Children can come to school in their own clothes or choose to wear something blue to help raise awareness of diabetes and show support for everyone living with the condition.

We hope lots of children will join in and support both causes!

Young Artist Open Exhibition

Why not pop along to Ferens Art Gallery and enjoy the fantastic artwork on display, including several wonderful creations by our very own pupils! The exhibition is open until **10 January 2027**. Well done again to all our talented young artists!

Class Dojo

As we continue to develop our use of Class Dojo, we'd like to remind parents that the messaging function can be used to communicate with class teachers. However, as teachers are teaching throughout the school day, messages may not be seen immediately. If information is urgent or time-sensitive, please contact the school office, who will ensure your message is passed on promptly.

Thank you for your support

Adelaide Primary School

Stay and Count – Parent Feedback

Before half term, we held our 'Stay and Count' maths sessions for parents and children in Years 1–6. We would really appreciate it if any parents who attended could take 1–2 minutes to complete our feedback form. Your feedback is valuable and will help us with future sessions. Thank you for your support!
